EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

Claim 17, line 2, deleted ---electrostatic---

Claim 18, line 1, deleted ---electrostatic---

This amendment merely corrects a typographical error as the word "electrostatic" never appeared in any of the independent claims from which this word would otherwise have required antecedent basis in the preamble of the dependent claims.
